Dear Sisters and Brothers of Eastern Star in Oregon,

It is with overwhelming delight that I support Brother Dick Varner, PGP in his bid for the office of Grand Sentinel for the Grand Chapter of Oregon. I am honored that Brother Dick has agreed to make the journey to the Grand East with me and excited to welcome him into our Nature's Wonders group.

Brother Dick has been a strong asset to the Grand Chapter of Oregon in his many roles over the years. I value the knowledge, experience and wonderful sense of humor that he brings to the table and look forward to working with him to support and grow our beloved Order.

Yours in Star,

*Stephanie A. Beall*
