RE: Assistant Grand Warders and Assistant Grand Sentinels for Grand Chapter

Dear Sisters and Brothers,

We are over halfway through the Miracle Believers' year and fast approaching the **"Believe"** Grand Chapter Session. As always, putting on a memorable and successful session requires the help of every one of us, to the best, and within the limits, of our abilities. Every session worker is an invaluable member of this important process.

Whether you are a longtime helper or this will be your first Grand Chapter Session, we would ask for your help in serving as an Assistant Grand Warder and/or Assistant Grand Sentinel to conduct the session June 21 through June 24, 2020 in Pendleton, Oregon.

Please contact Loren Schrock, Grand Warder, or Stephen Barkley, Grand Sentinel, if you would give us some of your time and volunteer for either of these vital positions at the Grand Chapter Session. This is a great opportunity to become involved for those Sisters and Brothers who can only devote a few hours to help, during the session. Please provide the information below by mail or contact Loren or Stephen by email or Postal Mail to sign up. Names need to be submitted as soon as you possibly can so that we can have you recognized in the Grand Session Program. Once all the names are assembled, you will receive further information. We gratefully look forward to hearing from you and ask for a response by March 15, 2020.

Star Hugs and Love,

Loren Schrock, Grand Warder
