**Re: FAITH Committee**

**Dear Members:**

**The "Fraternal Activities In The Home" (FAITH) Committee, has been advised by the Grand Treasurer, that the 2019-2020 budgeted Grand Chapter funds for this committee are becoming dangerously low. In the near future the committee may have to curtail our work at the Jennings McCall Masonic & Eastern Star Home in Forest Grove. The Special Activities and Birthday parties are greatly anticipated by the residents, and bring much cheer to their day to day lives.**

**Last fall the committee did not send out our annual request for donations for the FAITH Christmas celebrations we provide for the residents at the Home. We are now asking that you consider making a donation to FAITH, just as you would probably have done last fall.**

**Checks should be mailed to the Grand Chapter of Oregon, and designated for the FAITH Committee Fund, and mailed to the Grand Secretary.**

**The FAITH Committee sends thanks all of our members for your continued support of these special people in residence at the Jennings McCall Center.**

**Sincerely;**

**Michael Thompson, Chairman, FAITH Special Activities**

**Della Rolfe, Chairman, FAITH Birthdays**
