Re: FAITH Committee Christmas

Dear Members:

The COVID pandemic has impacted a lot of the things that we Eastern Stars do lately. There is a high likelihood that the much anticipated annual Christmas – Birthday party at the Jennings McCall Home in Forest Grove will not be allowed to take place this year.

However, the F.A.I.T.H. Special Activities and the Birthday committees will still be providing small gifts and treats for the residents there. These people have literally been restricted to the home for the most part, for the last 18 months. We have spoken with the administration at Jennings McCall, and they will permit us to provide a small, easily sanitized gift to each resident. Therefore, we are asking that each Chapter and/or member make a donation to the FAITH Committee Christmas Fund.

Checks should be mailed to the Grand Chapter of Oregon, and designated for the FAITH Committee Christmas Fund. Please mail them directly to the Grand Chapter office.

The FAITH Committee thanks all of our members for your continued support of these special people at this special time of the year.

Sincerely;

Michael Thompson, Chairman, FAITH Special Activities

Della Rolfe, Chairman, FAITH Birthdays
