Grand Secretary Mary Duncan:

Information regarding the Silent Auction for our General Fund

Could you please put a letter to all the chapters here in Oregon for me?

When they make up the list to put with the basket, what is in the basket? Could they please put it at the top of the page, the chapter's name, chapter's number, or individuals name, and the price that they paid for the items? That way it will make it easier for me to know what chapter the basket came from when they just drop it off, and or just leave. Let us have a great Silent auction this year with lots of baskets to auction off. I am looking forward to seeing all the latest ideas coming from the chapters this year. Thank you for allowing me to be chairperson of the Silent Auction. I enjoy doing this for the Grand Chapters General Fund.
