

February 27, 2019

To the members of the Grand Chapter of Oregon –

Queen Esther's Garden, a **reception for Grand Esther, Nancy Myers**, has been TRANSPLANTED! Due to the deep snow accumulation in Sumpter (currently over four feet deep with very high berms along the streets) and the forecast of additional snowfall through the next three weeks, the dinner and reception will be relocated to a lower elevation just a few miles down the road toward Baker City—at the McEwen Bible Fellowship building, 11503 Sumpter Stage Highway. The site offers good parking and space for the dinner and reception to be in the same building. Additionally, there will be “dressing” rooms for Ladies and Gents.

The reservation deadline for the dinner of ham, scalloped potatoes, salad and dessert **has been extended** a few days to March 13. The price is still \$17.50. Make checks payable to Leland Myers and send to PO Box 99, Sumpter OR 97877. Please note any dietary restriction.

Anyone may visit the home of Alpine Chapter that Saturday afternoon. The building will be open and set up for Chapter meeting the following Tuesday evening.
