Grand Chapter of Oregon  
Order of the Eastern Star  
PO Box 68257  
Oak Grove, OR 97268

Worthy Grand Matron, Worthy Grand Patron, and Members of Oregon Eastern Star:

I am submitting my letter of intent for the position of Grand Treasurer of the Grand Chapter of the Order of Eastern Star in Oregon. I have the support and approval of my chapter, and also my husband, Al.

RESUME: For my working history I was in banking for 38 years, starting as teller and proof operator, then as vault teller, note teller, loan processor, executive secretary, and the last 8 years as a loan officer, doing Consumer, Real Estate and Commercial/AG loans. I am proficient in Excel spreadsheets and Word documents.

MASONIC BACKGROUND: I joined Job's Daughters in Prineville when I was 12, then when we moved to Hood River I joined Rainbow. I'm a majority member of each of them. I was initiated into Eastern Star in Silver Star Chapter #3 in Vallejo, California in 1970 then affiliated to White Salmon Chapter when I moved back to Washington. In White Salmon I was Worthy Matron in 1980/1981 then Treasurer for the next two years. I moved to Madras and joined Concordia Chapter #133. I was Worthy Matron 6 times in Concordia, and Adah for 2 years. In 2012 Concordia consolidated with Carnation and became Central Oregon #23. The past 8 years I have been the chapter secretary for Central Oregon #23. I have been on the Special Projects committee twice, once as a member and once as chair, the Audit committee for 3 years, the last being the Chairman, Banquet Chairman, Session Coordinator for a 3-year term, and currently have been the Subscription Chair for the OES Newsletter for the past 5 years. I was Grand Ruth in 2001/2002 in the Starduster Grand Family.

My plan is to perform the duties out of my home. I currently have a room dedicated for my home office and there is plenty of room to do the Grand Treasurer business there also. I look forward to further serving the Grand Chapter of Oregon.

Fraternally,
