

**HOME STAR CHAPTER MEETINGS,  
LOOK FOR US IN ANOTHER AREA OF JENNINGS  
McCALL**

**So sorry for the dust and confusion but Jennings McCall is in the midst of remodeling and updating the dining rooms. The Jefferson Room where Home Star holds their meetings is being used as the temporary Dining Room for the residents.**

**So until this remodeling is completed Home Star Chapter will be holding meetings in what is called the Activity Room. We have been given to understand that we will probably be using the Activity Room at least from September through January.**

**The Activity Room is located on the Assisted Living side of the Jennings McCall Center, the West side of the building.**

**If you park on the Oak Street side (the West side) and use that entrance, as you come through the door the reception desk is on your left side, you will turn to your right and go down the hallway and find the Activity Room on your right.**

**If you park on the Independent side and come through the East entrance, you should take the elevator to the second floor, go towards the Jefferson Room and continue down the hallway until you reach the Assisted Living side and take the steps or elevator to the first floor. If you take the elevator, when you exit turn to your left and go past the reception desk continuing down the hallway until you come to the Activity Room on your right.**

**We hope you will come to visit!**
