Dear Grand Family,

I wish so much that we could see and support one another in person, but it seems as we get one step closer we go two steps back.

I know many of you look for ways you can support the youth of Oregon and I hope we have come up with a new and creative way for you to assist us in our fundraising.

As many of you know no organization runs without funds and the Grand Guardian Council is no different. We are starting a new fundraiser, one in which you can assist us in our work with Oregon Job's Daughters. It is the Blue Bag program for Non-profits through the Oregon Beverage Recycling Cooperative.

We would supply you with Blue collection bags. Each bag is marked with a sticker that includes our code. You would simply fill the bag and take it to the Oregon Beverage Recycling location nearest you or call me and I will schedule someone to pick it up and deliver it to the center.

If you would like to join us in this ongoing support of Job's Daughters please send me an email and I will get bags out to you. When you turn in your bag just send me an email and I will send you a replacement bag.

(annamaylamb@gmail.com I am using this address to keep the records straight and so I will not accidentally delete a request.)

We had hoped to get this set up earlier but such has been my life for the past year.

Thank you in advance for your support of Oregon Job's Daughters.

Jobie Love,

Anna Lamb
