*GRAND CHAPTER
Order of the Eastern Star
of Louisiana
Mt. Hermon, Louisiana*

*OFFICE OF
Worthy Grand Matron*

March 14, 2020

My Dear Sisters and Brothers,

We too often forget that everything is not within our control. This week we have learned that something quite tiny can change our perception and our lives faster than we can react.

With the current situation in our country and the proclamation by the Governor of Louisiana which included the restriction of any gatherings of 250 or more persons, our ability to hold Grand Chapter as usual is not possible. We are very honored to have so many members from other Grand Jurisdictions preregistered for our session, but I must inform you that for your safety and in compliance with government guidelines and restrictions, we are asking you to cancel your plans to travel to our state. We must restrict it to a business only session with strictly Louisiana members to accomplish only what is necessary for our state organization.

While I will not have the opportunity to welcome you to the session, I will certainly treasure the fact that you had every intention to share in our activities. I pray that each of you will come through this time of uncertainty both healthy and secure in this changing world.

May all your "Unexpected Possibilities" become a blessing for you and for others.

In Love and Service,

Donna M. Harrist
