How to Write and Submit an Article

Articles may be composed by any member of the Eastern Star and should be submitted to the Editor in the following manner:

- Electronic is preferred. Word or PDF documents are preferred.
- US Mail is acceptable with a typed article, but digital is preferred.
- Pictures may be sent in the following manner:
 - Digital photos are preferred. Pictures in electronic format (.jpg) submitted online in the highest quality available (minimum 400 x 400px).
 - Printed photos with clarity sufficient for scanning.
- All submissions (photos and articles) must have the following information included:
 - Author's name and title.
 - Author's contact information, both email and phone.
 - Include chapter or affiliation and member names.
 - Notes for the editor about the article or photo to assist the editor in determining how to publish the article.
 - If there is a minor in the photo, please have permission from parents or guardian.

If you have any questions for submitting an article, or are unable to submit as listed above, please email the Editor. Note — the editor retains the right to edit, adjust, or otherwise make changes to an article or image without consulting with the original author.
