Worthy Matrons, Worthy Patrons, All members

Once again, I am contacting you to try and plan ahead. Brother Bob and I have discussed this and As of today, with membership health in mind, We are cancelling all regular meetings, Official visits and any social activities that may have been planned until April 15th.

At that time, we will revisit this and hope that we can see much improvement in all this sacrifice!

No Meetings will have to be made up and No dispensations will need to be issued.

Please everyone, Stay home, stay safe, call each other and as everyone is saying...Be Kind!

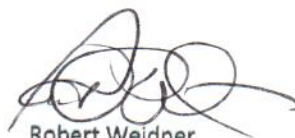

Please don't hesitate to contact me if you need a phone number of any member if you want to call them, I'll do my best to get it to you!

Take Care everyone.
