Oregon OES Information Network
announce@oregonoes.org

Oregon Grand Chapter now has the ability to create and maintain e-mail list serves.

Why does that matter to you?

Now you can receive Event information - both Chapter and Grand Chapter; Memorials and other important information in a timely manner to your e-mail address and not have to wait for your Chapter meeting.

If you haven't gotten the Welcome e-mail sent on September 6th and you want to be part of the Oregon OES Information Network, contact the Grand Secretary (grandsecretary@oregonoes.org) and your e-mail will be added to the list.

Don't worry, all the information will still be shared in its traditional manner in the Chapter meetings,

If you have any questions or concerns, please contact Jeremy Smith, Webmaster at webmaster@oregonoes.org.
